

17-2013

MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Nomination of Comptroller Personnel to Senior
Defense Colleges and Advanced Management Course,
Harvard University

REFERENCE : Your memo on this subject dated 15 August 1957

1. In accordance with your memo we have carefully reviewed the qualifications of persons available from the Comptroller Career Service for such training.

2. In addition to the technical eligibility of the possible nominees, we have also considered as of even greater importance the immediate and potential value of this training to the individuals and to the Agency.

3. Attached herewith are nominations for the Harvard Advanced Management Course and for the Industrial College of the Armed Forces. The other courses available are of such a specialized nature that assignment of personnel from this Office would be most difficult to justify. Accordingly, we would prefer to limit our nominations to the two courses mentioned.

E. R. SAUNDERS
